James W. Holley, III-2007

\*Deceased

December 2, 2008

It's time to nominate someone for the *First Citizen of Portsmouth* for the year 2008.

I encourage you to nominate someone that you feel exemplifies the characteristics of a First Citizen. The consideration and qualifications for the selection of the First Citizen will be judged on the basis of civic, charitable, and religious contributions to the welfare of the community, state, country, and fellow citizens over and above anything that can be reasonably expected from the pursuit of one's chosen vocation and without remuneration, with the principal contributions having been made to the City of Portsmouth, although the nominee is not required to reside in the city of Portsmouth.

Recognition by peers is an underlying premise of the First Citizen of Portsmouth award. Community service for the sole purpose of and in the spirit of giving is the character most sought after for this prestigious award. Persons having identified a citizen for nomination are encouraged to collaborate to present a broad spectrum of a nominee's accomplishments. The person being nominated should not be informed of their nomination. Nominations will be accepted in strict confidence. Also include contact information for the nominee along with your contact information as well. The nominations must be returned by **January 30, 2009** to the First Citizen Committee C/O The Portsmouth Community Foundation, 360 Crawford Street, Portsmouth, VA 23704.

Should you have any questions, please don't hesitate to call me at 397-5424. You call also visit our website at [www.thepcf.org](http://www.thepcf.org) under the First Citizen link for information.

Sincerely,

Jennifer Vierrether  
First Citizen Coordinator
